SECTION I HISTORY

On June 29, 1999, the Shackelford Landscape and Lighting District (“Shackelford LLD”) was formed in accordance with the Landscape and Lighting Act of 1972 (California Streets and Highway Code §22500 through §22679) (“the Act”) to install and maintain streetlights to deter crime, promote traffic safety and help law enforcement officers. All costs for the Shackelford LLD are funded by the annual assessments levied on each property within the district. The Act requires several courses of action on the part of City staff and City Council prior to August 10th of each year.

The Act initially requires the City Council to order, prepare, and file an Engineer’s Annual Report for the City Council. This report is prepared for the purpose of detailing the plans and specifications for the maintenance, operation and servicing of the District, including, but not limited to the materials, equipment, labor and administrative expenses. The following services maintain facilities and improvements provided by the District as a special benefit to the parcel owners within the District; the cost of the services is paid entirely by the assessments levied by the District:

- Payment to local utility company for monthly power costs of energizing street lights in the District
- Payment to local utility company for maintenance of street lights in the District that the utility company owns (usually those lights that are mounted on wooden poles)
- Maintenance provided by the City of Modesto for street lights in the District that are owned by the City of Modesto (usually those lights that are mounted on steel poles)

Upon City Council’s approval of the Engineer’s Annual Report, the City Council adopts a resolution declaring its intent to levy and collect assessments within the Shackelford LLD for the following fiscal year and schedules a public hearing. This public hearing and proposed resolution levying the proposed assessments is in accordance with the annual assessment procedures.

Finally, in compliance with the Act, the City Council conducts the public hearing and adopts certain resolutions in accordance with the California Streets and Highways Code §22625 through 22641. The City Clerk is required to give the Modesto Bee notice of the public hearing no less than 10 days prior to the scheduled hearing date. All interested persons are afforded the opportunity to be heard during the public hearing. Should there be any protests, whether written or oral, the City Council may choose to continue the hearing to a later date and/or may change any part of the Engineer’s Annual Report to address the concerns of the property owner(s). The adopted resolution is then forwarded to the Auditor-Controller of the County of Stanislaus for placement of such charges on the upcoming year’s County Tax Roll.

SECTION II ANNUAL ASSESSMENT REVIEW AND SUMMARY

A. PARCEL REVIEW

There are 495 residential parcels within the Shackelford LLD, unless otherwise determined.

B. ANNUAL ASSESSMENTS

Each parcel receives equal benefits from the Shackelford LLD. The annual assessment levied is calculated by dividing the total cost estimate by the total number of parcels within the Shackelford LLD.

The total annual assessment for the Shackelford LLD for Fiscal Year 2013-2014 is \$28,688.50. This is based on the amount needed for Fiscal Year 2013-14 based on projected expenses and fund balance.

C. PROJECTED ANNUAL ASSESSMENT SUMMARY

Residential Annual Assessment – 495 Parcels

\$28,688.50	Annual Assessment for fiscal year 2013-2014
÷ 495	# of Parcels
